Tasks in Google Cloud

Build and Secure Networks in Google  
Cloud

Perform Foundational Data, ML, and AI  
Tasks in Google Cloud

has successfully completed the Google Cloud Study Jam, **Google Cloud : Cloud Computing Fundamentals** Training Certificate at **GDSC P.E.S College of Engineering Auranagabad**

# Google Cloud Computing Foundations & Generative AI

This achievement reflects a comprehensive understanding of the fundamental concepts and practical skills required to navigate and work within Google Cloud.

Those who earn this certificate have acquired the foundational skills necessary for cloud computing and are well-prepared to continue their professional journey within Google Cloud's ecosystem. It serves as a testament to their commitment to learning and their capability to leverage Google Cloud services for a wide range of applications and projects.

Congratulations for this accomplishment, and we encourage them to enhance their expertise and career opportunities within Google Cloud.
